

# TRANSPORTATION IMPROVEMENT HIGHLIGHTS

The Community Benefits Plan is bringing enhancements to Delray/Southwest Detroit and Sandwich/west Windsor through investments in programming, events and infrastructure improvements. Learn more about the plan at [GordieHoweInternationalBridge.com](http://GordieHoweInternationalBridge.com).

In October 2020, three fifteen-passenger vans were donated to organizations serving the Delray and Southwest Detroit communities. Each of the three recipient organizations provide or provided much needed services to the Southwest Detroit community, ranging from youth programming to health and social services.

### COMMUNITY HEALTH AND SOCIAL SERVICES (CHASS)

uses its van to transport clients to and from appointments.

### CLARK PARK COALITION

uses its van to transport youth program participants to sporting games, field trips and college visits.

### PEOPLE'S COMMUNITY SERVICES

Following a cease in operations, PCS transferred the van to another organization in Southwest Detroit

*“CHASS deploys the passenger van provided by the Gordie Howe International Bridge project to transport patients to and from their appointments at CHASS and/or specialty care appointments at Henry Ford Health System. Delivery of the van enabled the organization to double the number of zip codes within which the service was offered.”*
