

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of July 4, 2016

Demolition Activity

Demolition activity will occur on Harrington Street (between South Street and Jefferson Avenue) and on the northbound I-75 Service Drive (between Campbell Street and Cavalry Street). The roads will remain open and the work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on West Jefferson Avenue near Dearborn Street. The road will remain open and the work is not expected to impact traffic.

Survey Activity

Survey Crews will be working on West Jefferson Avenue (between Post Street and West End Street). The road will remain open and the work is not expected to impact traffic.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures currently planned.
