

# Follow the directions below and make your own Eastern Foxsnake or Butler's Gartersnake

**What you need:** small or large paper plate, scissors, glue, paint, crayons or markers.

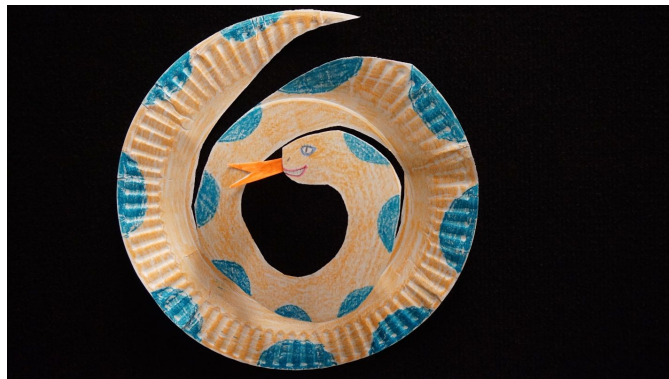

## Steps:

1. Cut plate into coil shape.

2. Shape the head.

3. Cut a forked tongue from the plate scraps. Glue it to the mouth.

4. Paint or colour the snake.

Take a photo of you and your project and share with us and we'll add it to our [Facebook](#) and [Twitter](#) feeds, @WDBAbridge #GordieHoweBridge
